

OTE 87-1013

1 April 1987

MEMORANDUM FOR: Senior Training Officers

FROM:

[Redacted]

Director of Training and Education

SUBJECT:

Component Training and the HRMCTF Occupation Panels

1. In support of the new Pay for Performance System under development by the Human Resource Modernization Compensation Task Force, the Office of Training and Education is developing training profiles for 20 occupational categories. During the initial phase we did not include component conducted training; however, such training must be incorporated during the second phase to begin in May 1987.

2. I request that you provide me with the following information for component conducted training within your directorate:

- o The sponsoring component
- o A list of the course titles
- o Length of course
- o Number of students
- o Cost per running.
- o The number of times offered per fiscal year
- o A statement of the purpose and intended audience.

3. OTE requires this information by no later than 22 April. Replies and questions should be directed to [Redacted] Deputy Director of Training and Education for Curriculum.
